Top 3 Active Ingredients

Seaweed Extract is a natural source of Iodine, Iron, Potassium, Magnesium, dietary fibre, B2 and B6. Packed with all your skin's favourite vitamins and minerals, and helps to soothe, soften, and reduce sensitivity.

Camphor Oil provides a cooling sensation and helps to relieve pain and itching. In the nose, camphor creates a cold sensation so that breathing feels easier. Commonly used for coughs, pain and relief from itching.

Eucalyptus Oil is known for its soothing and antiseptic properties. It relieves inflammation, can assist with chest infections and provide a warming, comforting sensation on the skin.

BENEFITS MAY INCLUDE

- Gives relief from pain and itching associated with wounds, burns and minor skin irritation
- Improves blood circulation with assists with faster healing
